XPLORER
2.3 FAMILY

PREMIUM LIVING AS STANDARD

The HKC Xplorer now sleeps up to 4 adults with two spacious queen-size beds, an electric-opening air-lift tent, and induction cooktop for quick setup and cooking ease. With setup and pack-down in under ten minutes, plus a patented, built-in staircase, it offers effortless access for users of all ages and abilities.

ROOM FOR THE WHOLE FAMILY

The Xplorer 2.3 Family comfortably sleeps four adults, featuring two queen beds and a built-in privacy divider. With electronic opening and an air-inflated tent, setup takes less than five minutes!

READY FOR ANYTHING

Whether you're heading out bush or to the beach, the Xplorer camper trailer will get you there and back without missing a beat.

Boasting a full 150mm x 50mm x 3mm hot dipped galvanised chassis, 265/75 R16 mud-terrain tyres (including two full-sized spares), dual independent big bore gas shocks and heavy-duty wheel bearings, the Xplorer camper trailer will handle tough terrain with ease.

With its lightweight aluminium body, you can tow the Xplorer with basically any offroad-capable vehicle.

2.3 FAMILY

AWNING

Free standing, with 270° of coverage, our awning gives you a perfect outdoor living space. Designed for convenience, it can be set up in under a minute, and has inbuilt Hardkorr bi-colour lighting.

POWER

Massive lithium power setup as standard in the 2.3F, featuring 270A of lithium batteries, Hardkorr 300W solar blanket, Hardkorr 40a DCDC charger, dual 240v GPOs, 50a anderson and a powerful Hardkorr 3000W inverter

KITCHEN

Collapsible sink, 12v water pump with hot and cold plumbing, induction cooktop, utensil drawer, modular pantry, and large prep-bench (plus another by the fridge) - it's everything you need to cook up a storm with ease.

STAIRCASE

With the Xplorer, the game has totally changed. It's the first camper trailer in Australia to feature a staircase integrated into the trailer itself, making it much safer and less strenuous to access your tent.

*Fridge not included
