PREMIUM LIVING AS STANDARD

The Xplorer 2.2E is the ultimate camper trailer, with the comforts you want and a layout that makes sense. Our patented integrated front staircase makes getting in and out of the rooftop tent easier for all ages, leading up to a queen-sized bed with plenty of room thanks to the dual-lift roof. Back downstairs, the fully equipped kitchen combines induction cooking with a modular pantry to keep everything within reach, while integrated electric hot water means easy washing up and a hot shower at the end of the day.

PROTECTION FROM THE ELEMENTS

(Awning wall kits sold separately)

12V INTEGRATED HOT WATER SYSTEM

BUILT FOR OFF-ROAD CONDITIONS

XPLORER 2.2E

A STEP ABOVE THE REST

WHO LIKES LADDERS ANYWAY?

Our patented integrated staircase makes heading up to bed easy, especially after a big night around the campfire. Proper steps, handrails and guided lighting lead straight into your rooftop tent, with handy built-in storage making the most of the space. It's a safer, less strenuous way to get into bed, so campers of all ages can enjoy the comfort and luxury of the queen-sized rooftop tent.

CAMP KITCHEN

Cook up a feast with 2000W induction cooking, hot and cold water and an extendable prep bench. With room for a large fridge, eight pantry compartments and dedicated appliance storage, everything has its place, making cooking at camp easy and enjoyable.

TENT & AWNING

Our Dual Lift Queen Premium Rooftop Tent features a 140mm memory foam mattress, integrated lighting and power, and room to leave bedding inside. The freestanding 270° awning sets up in under a minute, creating an outdoor living space with built-in lighting.

OFF-GRID POWER

The 2.2E delivers serious off-grid power with 300Ah of lithium capacity, upgradable to suit your needs, 510W solar, a 3000W inverter, 40A DC-DC charger, dual 240V GPOs and a 50A Anderson connection for Hardkor Ready cooking. It's a complete setup built to keep you powered wherever you camp.

BODY & SUSPENSION

The Xplorer 2.2E takes tough terrain in its stride, with a robust galvanised chassis, heavy-duty suspension, mud-terrain tyres, two full-sized spares and class-leading storage. Its lightweight aluminium body keeps it easy to tow wherever adventure takes you.
