CAMPERS

BUSHMASTER X

HKC-4000

The Bushmaster 4000 Series provides excellent comfort and off-road capability at a reasonable price. This mid-size camper trailer is ideal for couples or young families, and has been engineered for storage space maximisation and quick setup.

CAMPERS

ADVENTURE AWAITS

HEAVY DUTY SUSPENSION

The Bushmaster 4000X is built to go anywhere.

With twin shock absorbers, fully independent suspension, mud-terrain (MT) tyres and heavy duty alloy wheels, it will survive any terrain from corrugated country roads to rutted-out bush tracks.

It is truly a "Cape ready" trailer, without sacrificing comfort or driveability.

FAMILY SIZE KITCHEN

In the family home the kitchen is the hub of activity - why shouldn't this be the case when you're camping?

Thanks to the huge 270 degree awning and the smart layout of the kitchen, the 4000X ticks all the boxes for the modern camper.

Dometic gas two-burner stovetop, full size sink, twin water connections, mean cooking dinner is a pleasure.

Plus, thanks to the easy access storage compartments, your pantry food is on hand right where you need it!

GO ANYWHERE. TAKE EVERYTHING

AUSTRALIAN DESIGNED AND TESTED

We tasked some of Australia's most dedicated adventurers with the job of producing the ULTIMATE camper, the criteria was simple, make it 'cape-ready' with no compromise on comfort or storage.

The result? A go-anywhere, no-BS camper. Built with meticulous attention to detail, every camper is built with all the good bits, a full chassis, heavy duty suspension, a feature packed kitchen, and a general air of common sense.

MAXIMUM STORAGE

When it comes to camper trailers, there simply aren't many on the market that consider storage. On the other hand, the Bushmaster 4000X has been designed to maximise available storage space.

In fact, with over 2300L of storage and space for up to a 69L fridge/freezer, you'll be able to bring along everything you need on next camping trip.

Best of all, you can access all of this storage without having to set up your camper trailer.
