CAMPERS

## BUSHMASTERTE

### HKC-4200

The Bushmaster TE combines the unrivalled capability of our Overlander GT with the compact size of our Bushmaster 4000-X, to create a camper trailer which is perfect for adventurous couples and young families.

The TE boasts superior engineering and toughness, quick set up and huge storage for its size, enabling you to explore further with confidence.

# HARDKORR

CAMPERS

# ADVENTURE AWAITS

## HEAVY DUTY SUSPENSION

The TE is built to go anywhere.

With twin gas big bore shock absorbers, fully independent suspension, 33" mud-terrain (MT) tyres and heavy duty alloy wheels, it will survive any terrain from corrugated country roads to rutted-out bush tracks.

It is truly a "Cape ready" trailer, without sacrificing comfort or driveability.

## FAMILY SIZE KITCHEN

In the family home the kitchen is the hub of activity - why shouldn't this be the case when you're camping?

Thanks to the huge 270 degree awning and the smart layout of the kitchen, the TE ticks all the boxes for the modern camper.

With a Dometic gas two-burner stovetop, full size sink, and twin water connections, cooking dinner is a pleasure.

Plus, thanks to the easy access storage compartments, your food is easily accessible when you need it!

**GO ANYWHERE.  
TAKE EVERYTHING.**

## BEST OF BOTH WORLDS

We took the best features from the two toughest campers in our range and combined them into one. The TE features the running gear from the GT and the storage and compactness of the 4000-X.

- 33" MUD TYRES
- TWIN GAS BIG BORE SHOCKS
- 2 TONNE RATED SUSPENSION
- SCRUB BARS ON EACH SIDE
- NEW REAR HEAVY DUTY BAR DESIGN
- 180L OF WATER STORAGE OVER 2 TANKS
- SWING OUT SHOWER
- REAR MOUNTED SPARE WHEEL
- CAN FIT UP TO 110L FRIDGE AND MUCH MORE!

## MAXIMUM STORAGE

When it comes to camper trailers, there simply aren't many on the market that consider storage. On the other hand, the Bushmaster TE has been designed to maximise available storage space.

In fact, with over 2,636L of storage and space for up to a 110L fridge/freezer, you'll be able to bring along everything you need on the next camping trip.

Best of all, you can access all of this storage without having to set up your camper trailer.
