

HARDKORR
CAMPERS

OVERLANDER GT

The Overlander GT can sleep a family of 6 in comfort, comes with a huge deluxe chef's kitchen, has 3,300L of storage and is still tough enough to handle any terrain you care to explore.

ADVENTURE AWAITS

AUSTRALIAN DESIGNED AND TESTED

Our team has been designing trailers in Australia for over a decade, and the latest Hardkorrr range of trailers is a perfect example of this. When you are heading offroad you need a camper that is compact and agile while being tough enough to handle everything you can throw at it. That's why we have our gear tested by the team from The Offroad Adventure Show in some of Australia's toughest offroad destinations.

**THE
OFFROAD
ADVENTURE
SHOW**

“IT’S THE ATTENTION TO DETAIL THAT STANDS OUT, FROM THE DESIGN OF THE SEPARATE COMPARTMENTS WHICH MINIMISE DUST INGRESS THROUGH THE TRAILER, TO THE HARD WEARING MATERIALS AND COMPONENTS THAT HANDLE EVERYTHING YOU CAN THROW AT THEM, THE HARD KORR RANGE IS, AS THEY SAY, HARDKORRR!”

HEAVY DUTY SUSPENSION

The Hardkorrr range is built to go anywhere. With twin shock absorbers and fully independent suspension, you can take any track and be confident that your trailer is following on behind. Mud tyres, heavy duty alloy wheels, and scrub bars, make sure your camper is capable even in the toughest situations!

HARDKORRR
CAMPERS

FAMILY SIZE KITCHEN

Just like in the family home the kitchen is the hub of activity and why shouldn't this be the case when you are camping. Thanks to the huge 270 degree awning and the smart layout of the kitchen the Hardkorrvan range of campers ticks all the boxes for the modern camper. Dometic gas two-burner stovetop, full size sink, twin water tanks, plus quick-fit gas and water connections, mean cooking dinner is a pleasure. Plus, thanks to the easy access storage compartments in the benchtops, your pantry food is on hand right where you need it!

MAXIMUM STORAGE

When it comes to camper trailers there simply aren't many on the market that consider storage. The Hardkorrvan range of campers have been designed to maximise all available storage space. And want to know the best bit? It can all be accessed without needing to setup your camper! Around 3300L of storage and space for up to a 95L fridge freezer makes your next camping trip a winner!

SUPER QUICK, 1 PERSON SETUP

HARDKORRCAMPERS.COM.AU
